1115 SUD Waiver Optimization Project

“the SUD workgroup”

- **Purpose:** To better meet Hoosier needs in the SUD treatment space, OMPP in conjunction with DMHA is initiating an SUD 1115 Waiver Optimization Project.
- **Mission:** To improve the SUD treatment delivery system to ensure all Hoosiers are directed to and provided the treatment they need regardless of their entry point.

1115 SUD Waiver Optimization Project

“the SUD workgroup”

- **Objectives:**

- Manage the implementation of recommendations developed by the SUD Work Group
- Establish guidelines and policies to promote clarity and consistency in the delivery of services
- Develop resources and tools to train stakeholders and enhance their understanding of our shared mission and expectations
- Minimize operational, administrative, and financial barriers that stakeholders face to help members receive more timely and appropriate access to SUD treatment services
- Strengthen partnerships and relationships among stakeholders to ensure seamless, effective transitions of care for members
- Improve cross-divisional understanding of SUD-related topics to support a more cohesive approach to addressing stakeholder concerns
- Support robust data collection and analysis to verify that the SUD treatment delivery system is achieving its objectives and is able to to changing needs
